

## Assignment #1 C# Programming

This assignment intends to help you understand C# basics. Please make C# programs for the following questions.

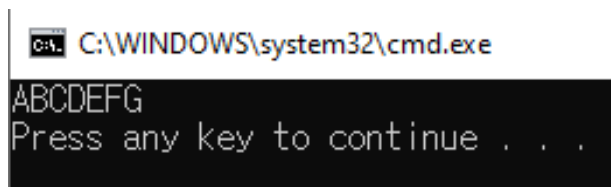

1. Please make a program shown in Figure 1 below.
  - a. Hints: Nested for loops and understand a difference between write() and writeLine()

```
C:\WINDOWS\system32\cmd.exe
01 02 03 04
12 13 14
23 24
34
Press any key to continue . . .
```

Figure 1. Output of the first program

2. Please make a program shown in Figure 2 below. Suppose that the following string is given: "ABCDEF". Please use the substring() method for this question.

```
C:\WINDOWS\system32\cmd.exe
ABCDEFG
Press any key to continue . . .
```
